

Custom phishing mail

Red Flags

- suspicious sender address (winner@dlscordgifts.com)
 - uses L instead of I
 - Discord does not have domain discordgifts.com
- too good to be true (1000\$ and Discord Nitro for one year)
- using "Discord Premium" instead of "Discord Nitro"
- suspicious domain <http://steam-discord-bonus.com>
- urgency
 - you only have 6 hours to get gift
 - Get Gift **NOW!**
- grammatical errors and typos (Congratulation, Stream, 6 hour)
- real Discord emails usually start with [Hey \[username\]](#), but this one doesn't mention the username

Steam + Discord giveaway
